

SureStride

SureStride matting is manufactured from a unique blend of fibres that provides a durable surface that absorbs 1.25L per m². SureStride matting has a tacki-back adhesive backing system that keeps it flat and in place – even with wheelchair, cart and buggy traffic.

- Moisture barrier keeps liquids from soaking through to the floor
- Quick and easy to install; cut individual mats from roll
- Will perform for 3 to 6 months under normal use
- Recommended for commercial use on hard flooring surfaces, including entrances, to help prevent slips, trips, and falls caused by wet floors

Standard Size: 900mm wide Thickness: 2mm Stock Colour: Grey Roll Length: 30m

- SureStride is fully guaranteed for 90 days against failure due to manufacturing defects.
- SureStride is guaranteed to lie flat and be safe.
